

It Is Well With My Soul (Hymn; L.Taylor 2013)

C G F C  
 When peace like a river attendeth my way  
 F G C  
 when sorrows like sea billows roll  
 C G F C F G C  
 Whatever my story, You've taught me to say--It is well, it is well with my soul.

C G F C  
 Though Satan pursues me, and trials will come  
 F G C  
 Let this blessed assurance control  
 C G F C  
 That Christ has regarded my helpless estate  
 F G C F G  
 C  
 and has shed His own blood for my soul, yes, He's shed His own blood for my soul-

Chorus:

G F C G F G C  
 It is well -- with my soul, with my soul -- It is well, it is well with my soul  
 F G C  
 It is well, it is well with my soul.

V3:

C G F C  
 My sin, o, the bliss of this glorious thought  
 F G C  
 My sin not in part but the whole  
 C G F C F G  
 C  
 Is nailed to the cross and I bear it no more--praise the Lord, praise the Lord, o my soul!

V4:

C G F C  
 And Lord, haste the day when my faith becomes sight  
 F G C  
 the clouds be rolled back as a scroll  
 C G F C  
 the trumpet will sound and my Love will descend  
 F G C F G C  
 until then, it is well with my soul--until then, it is well with my soul!

Hallelujah (L. Taylor 2013)

C Am  
 Putting out fires, calling out liars  
 F Am F C  
 falling apart, breaking my heart, I come in, I come in  
 C Am  
 Tired of talking, never resolved  
 C Am F C  
 arms not so careful breaking my fall, I come in, I come in  
 F G Am G  
 And stay 'til I can say...

Chorus:

C Am G F Am G f=F  
 Hallelujah, Your steady love for me, Your all consuming peace

Hallelujah, Your friendship magnified, the Refuge of my life

Hallelujah, this world shows me how differently You love

C  
 Hallelujah

So I could question, turn, and blame

but I could never separate from You, or You from me

You are my healing, You are my hope

When I am broken, where else would I go? I go Home

and stay 'til I can say...

Bridge:

Am G F  
 And when my time is done  
 Am G F  
 and when my race is won

Take Me In (L.Taylor 2012)

C G/B C G C C G/B F/A  
 I am stoic in my prayers, I sing like You're not there  
 C G/B C G C C G/B F/A Am  
 I read so I can say I read, and no one knows how dead I feel  
 F C F C G  
 toward the God I say I love  
 F C  
 I don't know how to get back to You-

C G/B C G C C G/B F/A  
 When I am lost I do not run to find a solace here  
 C G/B C G C G/B F/A Am F  
 I try to face them on my own, the many enemies I face  
 F C C F C G  
 and so I stay, beaten and bruised  
 F C  
 I don't know how to get back to You

I don't know how to get back to You

Chorus:

Am F C C/E  
 But I will start by saying I have not allowed Your grace  
 F C G  
 to overwhelm me in a long, long time  
 Am F C C/E  
 And I will start my falling, getting facedown on this ground  
 F  
 I'll come as far as I know how  
 C G  
 then I will wait for You  
 F G  
 to take me in, to take me in

 Your hand of mercy shows me I'm empty handed

 clinging to the wells that have run dry
